Dear Chris

Congratulations on your success over the last three years. Basketball New South Wales has received many positive comments regarding your organisation's professionalism in the inbound and outbound basketball tours market, especially the level of service you provide those that tour with you.

We are very pleased that players and officials across Australia, particularly New South Wales, are benefiting from the international competition experience.

We look forward to working closely together in the future and are very pleased to see your teams so well regarded in the basketball community.

I would be delighted to speak to anyone personally should they wish any further testimony from me about our experiences with your company.

Yours Sincerely

Daniel Martinez
